8th November 2018

Dear Parents and Carers

Re: Stakeholder Audit 2018

Here at Tor View we are extremely keen to ensure that we provide the best possible education and support to all our young people. We are expecting to receive a visit from the Ofsted Team in the near future and it is essential that we retain our “Outstanding” status which we work so hard to achieve.

With the above in mind, we very much welcome feedback from Parents and Carers regarding their child’s time school with us. We do this in several ways throughout the year, including our annual Stakeholder Audit which takes place in the Autumn term. We would therefore be grateful if you could complete each section of the attached Stakeholder Audit questionnaire and offer your feedback regarding our current provision and performance. For each statement, we would ask you to choose from *Strongly Agree, Agree, Disagree, Strongly Agree* or *Not Applicable*. There is also a space in each section to write any additional comments you may wish to make.

Those Parents and Carers with a child who has recently joined our community will receive a slightly abridged copy of the Audit form; this also seeks feedback regarding the transition of your child into our school.

Please return your completed forms to school by **Friday 16th November**. If it is easier for you to type your responses and email them, please go the **Parents page** on our website www.torview.org where you will be able to download a copy. Completed forms can be emailed to n.bibi@theviewtrust.org

The views of our Parents and Carers are very important to us and we would like to take this opportunity to thank you for your continued support.

Kind regards,

Mrs L A Parrish
Head of School
