

## Tor View: Provider Access Policy

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education training offer. This complies with school's legal obligations under Section 42B of the Education Act 1997.

### **Pupil Entitlements**

All pupils in years 8-14 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- To understand how to make applications for the full range of academic and technical courses.

### **The management of provider access requests:**

#### **Procedure**

A provider wishing to request access should contact Eileen Melling, Head of Careers, 01706 214640, e.melling@theviewtrust.org

#### **Opportunities for access**

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school and speak to pupils and/or their parents/carers.

#### **Premises and Facilities**

The school will make the main hall at main school and the conference room at Ewood site along with the meeting room, available for discussions between provider and pupils, as appropriate to the activity. The school will also make available any specialist equipment to support provider presentations. This will be discussed and agreed in advance of the visit with the named contact.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with school so that they can make this available for all pupils at lunch and break times.

**Approval and review** Approved by Kelly Morgan and Laura Mathieson -Next Review (March 2019)
